**Subject:** Re: Test results

Katirina,

Samples were sent to lab and they could not do all the tests because they were outside the specs for the California standard.

Samples were resent to Inspectorat for review

This will be resolved when Levon gets back into the country next week.

Looking forward to talking with you next week.

Thanks,

**Jacob Kingston, PhD**

Anything? I sent our results over to you and would expect to see the same on your end. This issue needs to be resolved immediately.
